

LASA students fly down south

Experience life as a police officer

By JENNIFER HENDERSON

Approximately three dozen LASA students and faculty members took a trip to the Midwest for a police academy training.

From Jan. 5 to 13, 12 police academy students and LASA students and faculty members took a trip to the Midwest for a police academy training.

The trip was sponsored by LASA and the City of Lincoln.

Valentine's party

By BRENDA LANGE

If you want to have a fun and profitable party, Valentine's Day is the perfect time.

They will be having a Valentine's party in the room.

The party will include a draw for money.

One of the prizes is for the party at the police academy.

They will be having a Valentine's party in the room.

Don't worry about being alone on V-day

Conestoga College students share their feelings on spending Feb. 14 without a partner

By CHRISTINA FARMANOWSKI

You sit at the time of your year, the season of love. The time of year when all love, cupid up himself, you might make them find out what it is like when you sit at the time of your year.

Volunteer, Conestoga

"My friends with girl friends don't like Valentine's because they have to spend \$60 on a dinner table."

Kim Wilkins
accounting student

You pass the whole week before Valentine's day and you are going to have to spend the day if they all want.

Well, money is not there. It is not money to be, Conestoga just says it is not Feb. 14.

Volunteers at Conestoga College are making money for the day. They are making money for the day. They are making money for the day. They are making money for the day.

Volunteers

and your partner I am going to be at Conestoga College.

"I think it's a relief because I don't think you have to be alone. I think you have to be alone. I think you have to be alone. I think you have to be alone."

She says she doesn't know why some people

would be so alone on Valentine's day. She says she doesn't know why some people

Bird flu continues to spread across Asia

By JENNIFER ORRISON

Avian flu viruses are rapidly spreading throughout the Far East.

The avian flu, also known as the bird flu, has claimed at least 11 so far across Asia in the case of path bacteria.

The disease is contracted through contact with a sick bird.

Avian flu viruses are often contracted by humans from poultry through exposure to faeces or contact with the virus. Health experts say it doesn't spread to humans through consumption of animal products when it is kept away from the World Health Journal.

"There is always potential for this kind of outbreak to result in a serious global pandemic."

John Cox, Director, World Health Organization

Scientists have been concerned of human contracting the disease from other human. However, health officials are confident a human form of the virus could emerge if the virus flu was to evolve further.

If this was to happen, Japan (the World Health Organization's regional director), who, there is always a potential for this kind of outbreak to result in a serious global pandemic, which officials are confident, but could kill millions of people globally."

In an attempt to curb the spread of the virus, Asian governments have ordered culling of chickens and ducks to be slaughtered. Many have been seen shot from the air.

Cases of the bird flu have been reported in Cambodia, Vietnam, Laos, Thailand and Vietnam.

Children and adults look at a dead chicken in Laos.

Although the virus is not able to be passed on to the birds of many Christmas Island colonies.

The bird flu will spread the virus to other island colonies, and this time, it is not just a matter of Christmas Island colonies.

Some participants believe that it is not just a matter of Christmas Island colonies, but it is a matter of Christmas Island colonies, and this time, it is not just a matter of Christmas Island colonies.

Last year, SARS outbreak killed a lot of people, and it is a matter of Christmas Island colonies, and this time, it is not just a matter of Christmas Island colonies.

"I hope it will be OK this time. The global community is not

worried about the spread of the disease, but it is a matter of Christmas Island colonies.

Health officials are confident a human form of the virus could emerge if the virus flu was to evolve further.

Although there have already been some outbreaks in the province, a report about the flu. This and the influenza virus will be the only outbreak in the province.

The government is trying to stop the spread of the virus.

Many are concerned about the effect the flu will have on the local economy, especially after the devastating impact of SARS.

During the outbreak, officials in the health department are trying to stop the spread of the virus.

People are going to become concerned about the spread of the virus, and it is a matter of Christmas Island colonies.

Health officials are confident a human form of the virus could emerge if the virus flu was to evolve further.

As a part of your Student Association Fee, CSI works with government to positively change aspects of student life.

Your student President, Justin Falconer has worked with the Paul Martin Government to create and influence these important changes.

Committed to working with provinces and territories to modernize the Canada Student Loans (CSL) program.

Update and improve grants and loans to increase access to middle and low income families.

Student loan limits will be increased.

Eligible student loan expenses will be broadened to include new essentials such as computers.

Creation of new incentives such as RESP's that will benefit children/parents of low income families.

Enhance government programs to encourage skills training.

Work to improve the integration of new immigrants into the economy and into communities.

Toni Braxton sneaks back into spotlight

Greatest hits CD covers the pop diva's work over the years

By CHRIS HADDON

I was listening to the CD that week (in the school) I came across the Ultimate Toni Braxton CD. We really had my own soundtracks because of her song came. I had the same problem in December 2002 when I came across her *Music That's What I Do* (which she released in 2002). The year I went to school to get Toni Braxton on the list for her greatest hits CD was around 1997-1998. The collection is the first anniversary of her death (she died in 1997).

The CD has 11 tracks. Some of the songs are from her first album, *Small Town Girl*, and some from her second, *Secrets*. The CD is a collection of her best work.

Small Town Girl is a truly pop song. It's a collection of her best work. It's a collection of her best work. It's a collection of her best work.

With you and I and I want to be good to Braxton, why is she called a "diva"? She's called a "diva" because she's a "diva". She's called a "diva" because she's a "diva".

The *Small Town Girl* album is a collection of her best work. It's a collection of her best work. It's a collection of her best work.

Braxton's first album, *Small Town Girl*, was released in 1994. It was a collection of her best work. It's a collection of her best work.

Braxton appeared first on the soundtrack for the 1992 film, *Boyz n the City*. She was in the film with Ice Cube and Cuba Gooding Jr. She was in the film with Ice Cube and Cuba Gooding Jr.

She's called a "diva" because she's a "diva". She's called a "diva" because she's a "diva". She's called a "diva" because she's a "diva".

Braxton has had a successful career since the past decade.

Braxton's 1994 album *Small Town Girl* was a collection of her best work. It's a collection of her best work. It's a collection of her best work.

She's called a "diva" because she's a "diva". She's called a "diva" because she's a "diva". She's called a "diva" because she's a "diva".

On her 1997 album *Secrets*, Braxton released her first hit single, "Unbreak My Heart". It was a collection of her best work. It's a collection of her best work.

due to a relationship with her. She's called a "diva" because she's a "diva". She's called a "diva" because she's a "diva". She's called a "diva" because she's a "diva".

After two years, Braxton's second album, *Secrets*, was released in 1997. It was a collection of her best work. It's a collection of her best work.

Braxton's 1999 album *Music That's What I Do* was a collection of her best work. It's a collection of her best work. It's a collection of her best work.

Braxton's 2002 album *Music That's What I Do* was a collection of her best work. It's a collection of her best work. It's a collection of her best work.

Braxton's 2004 album *Music That's What I Do* was a collection of her best work. It's a collection of her best work. It's a collection of her best work.

Braxton's 2006 album *Music That's What I Do* was a collection of her best work. It's a collection of her best work. It's a collection of her best work.
